

Oven Mitt Pattern

Thank You!

I hope this pattern can be the start of millions of new designs for you.

Please follow this instructions before printing and taping your new pattern. Once everything is checked you are ready to go! Please share with us your creations in our [My Golden Thimble Sewing Club](#) on FB, we'll love to see'em! Good luck!

To Print on Letter Size Paper or A4:

- 1.- Print only the first page of the pattern and to check the "TEST SQUARE" measurements.
 - 2.- Once you are sure you got the "TEST SQUARE" right, print the rest of the pages with this following options: "No margins" and "Real Size"
 - 3.- Trim each page's margins by the dotted line.
 - 4.- Assemble the sewing pattern by forming the gray 1" squares on the corners of each page. By putting them one next to each other.
- Do not overlap pages***

To Print on A0 Paper:

- 1.- Save the sewing pattern file and take it to your nearest printing shop. Ask them to print the file in "Real Size"
- 2.- Check that the "Test Square" has the correct measurements before taking your pattern home.
